With reference to the allowance claimed by Mr. Ranganna for halts at Mysore during the following months, viz November and December 1909 and Jan 1910, the Senior Surgeon requested instructions in his letter dated 7th April 1910 as to whether in view of G.O dated 11th May 1908, Mysore is not to be regarded as Mr. Ranganna's headquarters from 15th Nov 1907 and in that case whether he ~~may~~ ~~be eligible~~ is entitled to travelling allowance for halts outside Mysore such as Bangalore, ~~and~~ ~~other places~~ in Palace or other duty since Dec 1907. Strictly speaking, the 100 Rs drawn by Mr. Ranganna is a local allowance and as he is ^{in the Palace,} is fined, the taking away of any person automatically results in a temporary reduction of the scale and as the officer who is taken away cannot have any further connection with the place he formerly held he cannot draw the local allowance attached to that place. But if in view of the orders already passed allowing him to be treated as being still on palace duty it is considered inexpedient to revise that order, the allowance may be continued as a special case not serving as a precedent, but it is made clear in Mr. Theobald's note in file 21 of 09 that the allowance should be paid only if Mr. Ranganna was entrusted with other work in addition to his palace duties. It would therefore be correct in principle not to allow the allowance.

1. With reference to Government Order No. 1713-4 Med. 189-09-3 dated 17-8-1910, directing that the travelling allowance bills of Mr. S. Ranganna should be disposed of in accordance with the Government Order dated 11th May 1908, I have the honor to point out that Mr. Ranganna's claims for travelling allowance relate to a period during which he was employed on General Palace duty, having ceased to be borne on the establishment attached to His Highness the Yuvaraj of Mysore with effect from 30-3-1909 and that the Government Order referred to above has therefore no bearing on the case in point.

2. Mr. S. Ranganna being now attached to the staff of His Highness the Maharaja, as will be seen from the copy of his letter herein enclosed, the question of his Head quarters has cropped up a-fresh and calls for early orders of Government.

I have the honor to be,

Letter No.329 dated 26-9-1910 from Assistant Surgeon, Mr.S.Ranganna, on Palace Duty, Mysore, to the Senior Surgeon, Mysore Government, Bangalore.

With reference to your No.1129 dated 29-8-1910, I have the honor to state that after the abolition of the special establishment of His Highness the Yuva Raja in Nov^r 1907, I was posted for duty in the Victoria Hospital as per Senior Surgeon's No.2712 dated 2nd December 1907. In the month of March 1908 I was again ordered for duty with His Highness the Yuva Raja as per Senior Surgeon's No.3372 dated 9-3-1908. I was relieved of this on the 30th March 1909 and was posted for duty in the Victoria Hospital, Bangalore, as per Senior Surgeon's No.5599 dated 27-3-1909. About the latter part of July 1909 I was ordered for duty with the camp of His Highness the Maharaja ^{at} ~~to~~ Ooty, and ever since I returned from that place to Mysore in September 1909, I have been attached to the staff of His Highness the Maharaja.

I beg to submit that Bangalore was my Head quarters when I was attached to the special establishment of His Highness the Yuva Raja, and it continued to be so even after I was relieved from that duty as I was posted to the Victoria Hospital at Bangalore as was often the case whenever there was no particular work for me in the Palace. I have consequently drawn batta on previous occasions only for halts in Mysore and other places, and none for halts in Bangalore. My Head-quarter~~s~~ has thus been all along in Bangalore. There being no order to change it, I have had to maintain establishments both in Bangalore and in Mysore since returning from Ooty to Mysore in September 1909. I have therefore claimed batta for halts in Mysore which I request you will be pleased to sanction to enable ^{me} to meet the additional expenditure incurred as explained above.

If

If Mysore is to be my Head-quarters in the future, I request that I may be kindly instructed on the point.
